### Outemu Full Cream Tea

Switch Type: <i>Tactile</i>	<i>Outemu</i>
Total Stem Travel	3.090 mm
Peak Force	53.2 gf
Bottom Out Force	57.3 gf
# of Upstroke Points	1000
# of Downstroke Points	1053

### Testing Notes

- The tail end of this force curve, specifically, is quite strange given just how little overlap there is in the downstroke and upstroke force curves beyond the bottom out point. At extended forces beyond these points shown here they do begin to touch, but switches very rarely have this degree of separation at that point in the curve as noted here.
